

Keller Engineers of New Jersey

Construction Inspector

Keller Engineers, Inc. is seeking full-time Construction Inspectors for statewide assignments anchored by our Camden, New Jersey office under the direction of Sam Mody.

We are seeking self-motivated professionals looking to grow with us. We provide Construction Management and Construction Inspection services to NJDOT, County and Private Clients. The successful candidates must possess the following qualifications:

- NICET Levels II, III, and IV
- NJSAT (New Jersey Society of Asphalt Technologists)
- ACI (American Concrete Institute)
- TCC (Traffic Control Coordinator + Refresher) offered by Rutgers University

If you are looking for an exciting, challenging career, Keller Engineers offers a wide variety of options. We are an Equal Employment Opportunity firm that offers Competitive Wages, a Healthcare Benefit Package, Paid Time Off, Paid Holidays, and a 401-K Retirement Plan. Salary is commensurate with experience.

Employees are given the necessary tools, mentoring, and guidance necessary to be a successful employee, and are recognized and rewarded for hard work and innovative, creative thinking. Our employees also enjoy a work environment that provides a solid balance between work and home.

If you would like to work in this professional environment, we welcome your resume for consideration. Upload resume to Keller Engineer's website Career page at www.keller-engineers.com/careers/.
