

Keller Engineers of New Jersey

Construction Inspector – Vertical Market

Keller Engineers, Inc. is seeking full-time Construction Inspectors for building assignments anchored by our Camden, New Jersey office under the direction of Sam Mody.

We are seeking self-motivated professionals looking to grow with us and have been exposed to a wide range of vertical construction projects and possess the following type of experience:

- ✓ Excellent communicative (verbal and written) skills;
- ✓ Constructability and QA/QC reviews of in-house projects;
- ✓ Quality control inspections and contract compliance of building construction projects;
- ✓ Effective coordination between onsite building trades including but not limited to structural steel, mechanical, electrical, plumbing, fire alarm and security systems;
- ✓ Technical abilities focused upon site preparation, excavations, structural formwork, caissons, cast-in-place concrete, structural steel and precast concrete erection and bituminous concrete placement; and
- ✓ Administrative responsibilities including document control, tracking/recording materials certifications, change orders, dispute resolution, as-builts and closeout.

The successful candidate must possess the following qualifications:

- ✓ Bachelors Degree in Engineering or NICET Levels III and IV
- ✓ Minimum of 10 years of experience
- ✓ OSHA 10 Hour (required); OSHA 40 Hour (desired)
- ✓ ACI Field Testing Technician, Grade I
- ✓ Confined Spaces in Construction and Fall Protection Training

If you are looking for an exciting, challenging career, Keller Engineers offers a wide variety of options. We are an Equal Employment Opportunity firm that offers Competitive Wages, a Healthcare Benefit Package, Paid Time Off, Paid Holidays, and a 401-K Retirement Plan. Salary is commensurate with experience.

Employees are given the necessary tools, mentoring, and guidance necessary to be a successful employee, and are recognized and rewarded for hard work and innovative, creative thinking. Our employees also enjoy a work environment that provides a solid balance between work and home.

If you would like to work in this professional environment, we welcome your resume for consideration. Upload resume to Keller Engineer's website Career page at www.keller-engineers.com/careers/. OR
