

# Keller Engineers, Inc.

## Structural Designer

Keller Engineers, Inc. is seeking a full-time Structural Designer at our Hollidaysburg, Pennsylvania office.

Our Structural Engineering Department provides building structural and other similar structural design service to our clients throughout Pennsylvania and the surrounding states.

The successful candidate must have three to five years of relevant experience. Responsibilities may include providing technical guidance and supervisory support, while managing clients and projects.

If you are looking for an exciting, challenging career, Keller Engineers offers a wide variety of opportunities. We are an Equal Employment Opportunity firm that offers competitive wages, a healthcare benefit package, paid time off, paid holidays, and a 401K Retirement Plan. Salary is commensurate with experience.

Keller Engineers recognizes and rewards employees for hard work, innovation and creative thinking. We provide employees with tools and guidance to enable success while working in an environment that balances work and home.

If you would like to join the Keller Engineers' team, we welcome your resume for consideration. Upload resume to Keller Engineers' website "*Careers*" page.

OR submit resume to:
