

# Keller Engineers, Inc.

## ENTRY LEVEL ENGINEER

Keller Engineers, Inc. is seeking a full-time Entry Level Engineer in the Transportation Division at our Hollidaysburg, Pennsylvania office.

Our Transportation Division provides Bridge (Highway and Railroad) and Highway Design as well as Bridge Inspection and Construction inspection services to State, Municipal and private clients, throughout Pennsylvania.

The successful candidate must be a college graduate with a Bachelor of Science degree in Civil Engineering or Civil Engineering Technology.

If you are looking for an exciting, challenging career, Keller Engineers offers a wide variety of opportunities. We are an Equal Employment Opportunity firm that offers competitive wages, a healthcare benefit package, paid time off, paid holidays, and a 401K Retirement Plan. Salary is commensurate with experience.

Keller Engineers recognizes and rewards employees for hard work, innovation and creative thinking. We provide employees with tools and guidance to enable success while working in an environment that balances work and home.

If you would like to join the Keller Engineers' team, we welcome your resume for consideration. Upload resume to Keller Engineers' website "Careers" page.
