

Keller Engineers of New Jersey, LLC

Senior Engineer

Keller Engineers is seeking a Senior Engineer with a background in highways and land development for a position based in our Camden, New Jersey office. The position requires:

- A Bachelor's of Science in Civil Engineering (BSCE);
- 12+ years of experience;
- The ability and desire to work in a team environment;
- Sound oral and written communication skills;
- **Excellent interpersonal and organizational skills** and ability to bring in new work;
- Proficiency in CADD (Microstation and InRoads and AutoCAD Civil 3D), AutoTURN, Primavera, Microsoft Office (i.e. Word, PowerPoint, Excel and Outlook) along with various other civil design applications;
- Experience in the production of conceptual designs, PD/FD contract plans, specifications, engineer's estimates and schedules associated with transportation projects for NJDOT, NJTA, SJTA, PANYNJ and County or Municipal agencies;
- Familiarity with municipal, county, state and federal project funding requirements;
- A firm grasp of roadway engineering skills such as geometric design, grading, access management, permitting, utilities, stormwater management, roadway drainage design, 3D roadway modeling, traffic/accident analysis and traffic control and staging plans; and
- A **Professional Engineers License** in the **State of New Jersey** with a desire for reciprocity in PA and NY.

If you are looking for an exciting, challenging career, Keller Engineers offers a wide variety of options. We are an Equal Employment Opportunity firm that offers Competitive Wages, a Healthcare Benefit Package, Paid Time Off, Paid Holidays, and a 401-K Retirement Plan. Salary is commensurate with experience.

Employees are given the necessary tools, mentoring, and guidance necessary to be a successful employee, and are recognized and rewarded for hard work and innovative, creative thinking. Our employees also enjoy a work environment that provides a solid balance between work and home. If you would like to work in this type of professional environment, we welcome your resume for consideration.
