

Keller Engineers, Inc.

Transportation Construction Inspector

Keller Engineers, Inc. is seeking full-time Transportation Construction Inspectors for our Hollidaysburg and State College, Pennsylvania offices.

We are seeking self-motivated professionals looking to grow with us. We provide Construction Management and Construction Inspection services to PennDOT, Municipal and Private Clients throughout central and south-central Pennsylvania.

The successful candidates must possess the following qualifications:

- 1-3 years of documented PennDOT or PA Turnpike experience and the following certifications:
 - NICET Level II in Transportation/Highway Construction (required)
- And one of the following:
 - NECEPT Bituminous Field Technician
 - NECEPT Concrete Field Technician
- Experience in Highway Occupancy Permit Inspection Projects is a plus

If you are looking for an exciting, challenging career, Keller Engineers offers a wide variety of options. We are an Equal Employment Opportunity firm that offers Competitive Wages, a Healthcare Benefit Package, Paid Time Off, Paid Holidays, and a 401-K Retirement Plan. Salary is commensurate with experience.

Employees are provided the tools, mentoring, and guidance necessary to be a successful employee, and are recognized and rewarded for hard work and innovative, creative thinking. Our employees also enjoy a work environment that provides a solid balance between work and home.

If you would like to work in this professional environment, we welcome your resume for consideration. Upload resume to Keller Engineer's website Career page at www.keller-engineers.com/careers/.
