

Keller Engineers of New Jersey, LLC

Senior Civil-Transportation Engineer

Keller Engineers has an immediate opening for a full-time Senior Civil-Transportation Engineer with a background in highways, traffic and land development, for a position based in our Camden, New Jersey office. The position requires:

- A Bachelor's of Science in Civil Engineering (BSCE);
- A **Professional Engineers License** in the **State of New Jersey** with a desire for reciprocity in PA and NY.
- Minimum of 15 years of professional experience;
- Self-starter with the ability and desire to work in a team environment;
- Sound oral and written communication skills;
- **Excellent interpersonal and organizational skills** and ability to bring in new work;
- Proficiency in CADD (Microstation and InRoads and AutoCAD Civil 3D), AutoTURN, Primavera, HCS, Synchro, Microsoft Office (i.e., Word, PowerPoint, Excel and Outlook) along with various other civil design applications;
- Experience in the production of CD designs/studies, PD/FD contract plans, specifications, engineer's estimates and schedules associated with transportation projects for NJDOT, NJTA, SJTA, PANYNJ and County or Municipal agencies;
- Familiarity with municipal, county, state and federal project funding requirements; and
- A firm grasp of roadway engineering skills such as geometric design, grading, access management, permitting, utilities, stormwater management, roadway drainage design, 3D roadway modeling, traffic/accident analysis and traffic control and staging plans.

If you are looking for an exciting, challenging career, Keller Engineers offers a wide variety of options. We are an Equal Employment Opportunity firm that offers Competitive Wages, a Healthcare Benefit Package, Paid Time Off, Paid Holidays, and a 401-K Retirement Plan. Salary is commensurate with experience.

Employees are given the necessary tools, mentoring, and guidance necessary to be successful, and are recognized and rewarded for hard work, innovative and creative thinking. Our employees also enjoy a work environment that provides a solid balance between work and home.

Please submit your resume to our New Jersey Office:
