

Keller Engineers, Inc.

Project Manager

Keller Engineers, Inc. is seeking a full-time Project Manager for the Transportation Division at our Hollidaysburg, Pennsylvania office.

The successful candidate must possess the following qualifications:

- 5-10 years of experience in the transportation industry
- PA Professional Engineer's license
- Management of PennDOT and municipal projects/clients
- Experience in project permitting process and working with regulatory agencies
- Ability to work independently
- Leadership experience a plus

We are seeking a self-motivated professional to grow with us. The Transportation Division provides engineering services to PennDOT, municipal and private clients throughout Pennsylvania and New Jersey.

Keller Engineers is an Equal Employment Opportunity firm offering competitive wages, healthcare package, paid time off, paid holidays, and a 401-K retirement plan. Salary is commensurate with experience.

Keller Engineers recognizes and rewards employees for hard work, innovation, and creative thinking. Employees are provided the tools and guidance to enable success while working in an environment that balances work and home.

If you believe that you would like to work in this professional environment, we welcome your resume for consideration.

Resumes can be sent via e-mail to: humanresources@keller-engineers.com
